STooPSBedStuy.org
Bed-Stuy grown and artist implemented, STooPS provides artistic opportunities and resource sharing in the local community by re-imagining space for public engagement. STooPS is a conduit for community building and intentional artistic experimentation in (un)conventional venues that fosters meaningful interactions between artists and neighbors.

This year STooPS is partnering with The Laundromat Project to present the BedStuy Art Crawl. Our annual community-building event uses the arts to bring people outside and promotes social interaction among the artists, homeowners, residents, and businesses of Bed-Stuy. Homeowners collaborate with local artists to host mini performances and art showcases on their stoops, yards, or sidewalks. At the same time, local businesses and organizations will connect with neighbors and passersby as they walk around the event.

The BedStuy Art Crawl will culminate with a gathering of artists, audiences, and sponsors at a neighborhood restaurant. Over delicious food and drinks we will continue to share art, engage, and celebrate the 6th year of our annual event.
A balancing act has occurred between embracing change while still maintaining the energy and traditions of Bed-Stuy.

STooPS is an opportunity for members of the neighborhood to discover and share resources that exist within Bed-Stuy.

WHY STooPS?

Recent changes in demographics and economics have evolved the fabric of our neighborhood. Bed-Stuy has long been home to renowned artists and historic community centers that are central to the unique identity and strong familial culture that everyone knows and loves. As new residents move into the community, gentrification is a concern for folk with multi-generational legacies who have invested in this neighborhood for decades. A balancing act continues to occur between embracing change and maintaining the longstanding energy and traditions of Bed-Stuy.

STooPS builds on the unmistakable Bed-Stuy identity and bridges the gap between Bed-Stuy “then” and “now.” As any neighborhood evolves, it takes everyone in the village to sustain the connections of the community.

STooPS is a tangible way to unite artists, new residents, and businesses with those deeply invested in the neighborhood, such as homeowners and community organizations.

STooPS is an opportunity for neighbors and visitors to (re)discover and share the resources of Bed-Stuy. This allows people to build partnerships and support each other in a way that fortifies the entire neighborhood.

STooPS unites the Bed-Stuy community!

WHO DOES STooPS REACH?

Our marketing targets art lovers, music enthusiasts, and Bed-Stuy neighbors and families. Throughout the year, postcards featuring sponsors are distributed in local businesses and during events such as Celebrate Brooklyn, SummerStage, Community Board meetings, block parties, and more. From storefronts to subway stations, signs featuring the event, artists, and sponsors are posted in the weeks leading up to STooPS.

During the STooPS event, SightSeers are directed to stop by sponsoring businesses, which are highlighted on SightSeer Maps. Our online audience is further engaged year-round through monthly e-mails & semi-daily social media posts on Facebook, Twitter, and Instagram, which are amplified by our team, artists, and supporters.

We are inviting businesses, particularly Bed-Stuy based, to increase their reach by sponsoring STooPS. With our continuously growing audience and our dedicated promotional team, our sponsoring businesses are reaching new customers every day.

As a Sponsor, you’ll be in the company of community builders such as the Bed-Stuy Gateway Business Improvement District (pictured above), the New York Restoration Project, and Brooklyn Swirl. Your contributions support equipment rental, promotional materials, and stipends for participating artists and staff. We are committed to valuing both art and artists by providing tangible compensation, and your sponsorship makes that possible. You can also choose to fund an integral STooPS building block such as food for artists ($1,000), STooPS T-shirts ($500), and more.*

And sponsors aren’t just highlighted during our summer event. We remind our audience to support your business through our consistent e-mail and social media engagement. Our goal is not only to partner with businesses for a day, but to have STooPS SightSeers shopping local year-round.

Thanks to our fiscal sponsor, Bailey’s Cafe, all donations are tax deductible.

“STooPS” all started with an idea from a local dancer who says she wanted to bring back the culture of hanging out and doing art on the stoops in Brooklyn.
